Manual testing

Test case
1. Draw bots
2. Pick 2 bots
3. Play game

Test results
1. The functionality in the test case all worked

Reporting bug
1. Click see all bots
2. Should show me my bots that i have selected

Results
1. Did not show me my bots, functionality did not work

Reporting bug
1. Win/Loss count
2. Should award a point if i won or lost

Result
1. I'm not sure if im just bad at picking bots but i have yet to win a game in my 10 attempts
